

GET CTEK READY! BOOST SALES, CUSTOMER SATISFACTION AND MORE

The CTEK READY AUTOMOTIVE kit is the ideal solution for vehicle shops and dealerships to simplify the charging experience for their customers. By making their vehicles CTEK Ready, shops and dealerships can increase sales, reduce warranty claims and elevate their customer experience.

CTEK Ready is a game-changer for vehicle shops and dealerships, designed to increase their profits and enhance their customers' experience. The CTEK READY AUTOMOTIVE kit is made for shops and dealerships focusing on cars and contains 50 pcs CONNECT EYELET M8 and 50 pcs CTEK READY stickers.

The CTEK CONNECT EYELET features CTEK's unique CONNECT system so it can be quickly attached to a CTEK charger and provide easy access to the battery. This simplifies the charging process, both while the vehicle is in the showroom and for the customer when the vehicle is sold. By adding a CTEK READY sticker the vehicle owner is reminded of the need to charge, helping them improve battery health, which reduces battery warranty claims for the vehicle dealership.
